7 2-YEAR-OLD BULLS

Sale at Fairground Sale Barn
Monday, November 14, 1960

Merrigan Bros., Sale Managers
Maryville, Missouri

INTRODUCTION

Seldom does it come to a sale manager to conduct a Dispersion Sale of a cattle breeder of such prominence and consistent breed development as is found in John F. Lee, Bolckow, Missouri, whose sale of his entire herd has been entrusted to our hands.

Mr. Lee is known widely among Shorthorn breeders as one who always used top breeding animals, and worked for better and more productive Shorthorn cattle. His decision to disperse his herd will be a distinct loss to the Shorthorn cattlemen fraternity.

The entire herd of 47 females, 35 calves at foot, and 8 bulls will be at the Fairground Sale Barn the day before the sale and everyone interested is invited to inspect them. The cattle will be found in just ordinary condition, not fitted for sale, just as they came from the pasture. Nearly all the females are pasture bred to the good herd bull, Leader Talisman 13th 2954-166, and the calves are sired by him.

Here is an opportunity for cattlemen to get some top cattle with top pedigrees and a heritage of bloodlines built up over the years for profit. You are invited to avail yourselves of this great opportunity to own some Shorthorn cattle of known value.

Merrigan Bros. Sale Managers, Maryville, Mo.
for John F. Lee's Dispersion Sale

GENERAL INFORMATION

The Dispersion Sale of the John F. Lee Shorthorn cattle will be held at the Fairground Sale Barn in East Maryville, Missouri, on Monday, November 14, 1960, beginning at 12:30 p.m.

There are 47 females, 35 calves and 7 coming 2-year-old bulls. Among the females are 5 springer cows, and 7 bred two-year-old heifers, the remainder being cows which have been producers.

A considerable number of the 35 calves are ready to wean and can be sold separately.

All the cattle have been T. B. and Bangs tested and have been vaccinated for Lepto. Most have been officially calfhood vaccinated for Bangs.

The females have been pasture bred to the good herd bull, Leader Talisman 13th. Detailed announcement of the breeding time will be made sale day.

The cattle will be at the Fairground Sale Barn in Maryville, Missouri, on November 13 and are there for your inspection. You are urged to look these cattle over before the sale.

Send bids to Merv Aegeter of the Shorthorn World or to Jim Merrigan, Auctioneer, Maryville, Missouri, and they will be carefully handled.

Lunch is available at the Cafe adjacent to the Sale Barn.
